

## Medical Expense Log

In addition to medical receipts for prescription drugs, chiropractor, dental & optometrist, you can claim mileage and meals for out of town appointments.  
Use this sheet to record your travel and meal expenses for medical appointments that require travel **further than 40 kms** from your residence.  
To be eligible the service must not be available in your community or it must be a referral.

Family Name: \_\_\_\_\_ Year: \_\_\_\_\_

Date of Appointment	Starting Point	Destination	# of KM Travelled	Name of Doctor and/or Hospital/Clinic visited	Applicable Family Member	Number of Meals

Please note that CRA may request additional supporting information (i.e.: appointment slips and/or written appointment confirmation from the medical facility).
